June 2010

Dear Parents/ Carers

### 1. e-safety

The e-safety evening for parents of children in Years 5 & 6 was very informative and helpful. Our expert speaker from the Local Authority highlighted the many benefits of accessing the internet but also the wide range of new and emerging risks that our children face. This is a very rapidly growing area of concern for schools and their communities. At Willerby Carr Lane we are currently updating our e-safety policy including how we will educate our pupils to keep themselves safe. In order to better understand how to help our pupils we shall soon be sending home a questionnaire to parents to ascertain how, what, when and where children access the internet. Please keep an eye out for this. We need an accurate picture of what our pupils are doing in order to best decide how to help them keep safe. Thank you.

### 2. Dress code

Reminder: as previously stated the school dress code has been tweaked for next September. The revised version is available on our website (under the Policies section) or to be collected from the office. In the meantime, I would be grateful if parents of girls in the higher part of the school would check the length of their child's skirt. In one or two cases, the skirts are not appropriate for school wear and indeed provide difficulty for children to retain their modesty when sitting cross legged in assembly. The revised policy, to come into effect from September, specifies that skirts will need to be approximately knee length.

### 3. Weekly update on School Web Site - [www.willerbycarrlane.e-riding.sch.uk](http://www.willerbycarrlane.e-riding.sch.uk)

Don't forget to look at our new school website to catch up on our weekly update section! This week: images from 'Race for Life' as well as our dressing up in Red & White World Cup football day!

### 4. Scooting to School

We are really pleased with the number of children who are coming to school on scooters and bikes - it encourages them to be active and helps to cut down on our carbon footprint. On some days our new 30 bay scooter rack is overflowing and it looks as if we may need to extend it next year! Could I please remind parents that for their own safety (and to prevent pester power) children are only permitted to scoot or ride to school so long as they are accompanied by an adult (unless they are in Year 6 and have written parental permission). For the sake of all our parents and young children, no children should ride/scoot in the playground.

### 5. Race For Life

Well done to all the children and staff who took part in the Race For Life at Costello Stadium last Sunday. They were all successful in completing the 5K course and in so doing raising funds for an extremely worthwhile cause. Seeing all the dedications made it quite an emotional morning. All of our entrants should feel very proud of themselves.

### 6. Congratulations to Year 6

A big well done to all our Year 6 pupils who worked very hard to achieve their best in the end of Key Stage SATS tests. They are now busy preparing for their end of Year show (Grease), looking forward to their PGL trip as well as learning how to be teachers and giving lessons across the rest of the school!!

### 7. Summer Fair

Please make sure you book our Summer Fair into your diary - Sunday 4<sup>th</sup> July at 1.00pm. There will be lots of stalls, activities, events, burgers and refreshments. Come along and join in the fun!
